

July 9,2009

As Stephanie Tuin and Maily D'Aponti welcomed members and guests there was a warm feeling in the air. Do you think that it could be because of the 95+ degrees outside??? Jeanie Thomas played for us as we sang In the Good Old Summertime and President Dennis opened our meeting with a "borrowed bell". I'm not sure where it came from though. Claudia Jackson did a great job at selling raffle tickets this week and Steve Attarian was the winner of \$45.00. Alan Watkins delivered a wonderful invocation and with that we were off and running.

President Dennis reminded us of the St Mary's Blood Drive on Thursday, July 23rd; of Pancake Day dollars and invoices that should be turned in so that we can get a final count on how much money will be allocated this year. This should be turned in to Cathy Staten. FAC is at Gordon and Judy Harbert's home tonight at 2359 South Rim Drive. Omar will be catering and beer and wine will be served. "If you want anything more than that, bring it yourself..."
