

## June 3, 2010

I begin today by sending my thanks to the 41 Kiwanians that took the time to complete the on line Kiwanis Bulletin Survey that I sent out at the end of May. I will use the suggestions in building our bulletin each week. I did take a look at the Grand Junction Lions Club Bulletin and found it interesting, brief, to the point and release dates once every few months. The impression that I received from the survey is that you like seeing our bulletin weekly. Let me know what you think as time goes on; your input is always appreciated.

Don Teets delivered their orientation at 11:30 on Thursday and our thanks go to Don for his continued support. Deborah Heidel-Davis was sponsored by Larry Beckner, Ron Sherman and Shawna Bonner. I don't think that I have ever seen so many sponsors for one individual!!!?? Eileen Gavin's sponsor is Roxie Denning. Please welcome these new members to our club, introduce yourself and get to know them.

Well, that's all that I am going to do this week. Let me know what you think.
