

## **July 15, 2010**

Our meeting this week was pretty good and as President-Elect Vern Gray stepped in for President Mailyne he did a great job!!

Our greeters this week were Marilyn Woods and Blaine Scott. Blaine also delivered our invocation; it is so nice to have the Reverend in our club. Randy Kirschbaum helped with the raffle ticket sales in Darlene's absence and he isn't even on Team Three but definitely a true Kiwanian. Thank you very much, Randy. Jeff Franklin told a great Joke of the Day and Bill Kistler delivered our Thought for the Day. Thank you all for your help with our meeting this week.

Rich Emerson introduced Bob Garretson to our members. Bob is running for Governor 2011-2012 term for the Rocky Mountain District. He spoke about his experience at Kiwanis International Convention in Las Vegas and looked forward to seeing those able to attend Rocky Mountain District Convention in Laramie, Wyoming.

Happy Bucks/Business Bucks and Fines were paid this week around the room and of course our guests were introduced.

Stacey Mascarenas talked about Terry Wakefield and gave a good report. Terry is open to receive email messages from us so if you want to drop a line his address is [terry@terrywakefield.net](mailto:terry@terrywakefield.net)

Vikki Bell talked about our "30 over 20" Membership Drive 2010 and sent out a thank you to all for the success of the drive. We now have 10 new members and two more applications have been submitted.

Roxie D delivered the July Board Report.

Lon Carpenter was our guest this week and presented a great program on the history of Colorado, the train system and the wars that were fought during the 1800's. It was a wonderful show with historical pictures of Colorado and Grand Junction. The members of our club spoke with Lon after the meeting and asked some great questions.

That's it for now.

Until next week.....Roxie Denning, Bulletin Editor
