

July 22, 2010

Our meeting on this particular Thursday was full of “Ringing Cell Phones” Did you notice the fines seemed to concentrate on those Kiwanians (aka Amy Rogers) whose guest cell phone was ringing or Sally Ryan who answered her ringing cell phone because it was from her dentist’s office or Bob Burger’s phone that was making some sort of noise. He claims that it was not “ringing”!! This added a lot of laughter in the room and was too much fun.

My thanks go out to Darlene Hallmark, Daryl Priddy, Blaine Scott, Vikki Bell aka Rick Nisley, and Sharon Vaughn for their help with this week’s meeting. Rick Emerson led us in song as we sang “This Is My Country” while Jeanie Thomas played for us.

Sharon lined up this week’s program and Brian Bensley from KidzPlex spoke to us about some of the activities that are happening there. This looks like a great place to take your children and get involved.

Good job, Brad.

The happy bucks, both business and personal, flowed this week and fines were accessed to a few by President Maily. Jeff Freeland was awarded the weekly \$5.00 by delivering the Kiwanis Defining Statement and telling us why he became a member of our club.

That’s it for now, my fellow Kiwanians. Paul and I are headed off to Ouray next weekend so there won’t be a bulletin. Make it a great week.

Until next time.....Roxie Denning, Bulletin Editor
