

## **July 8, 2010**

Needless to say, our Family Day meeting at Bananas Fun Park was way too much FUN!!! I was pleasantly surprised by the number of members that attended and brought their children with them. The chef was on the grill cooking up hamburgers and hot dogs for all to enjoy while Brian Limper looked for a microphone for President Mailyn. One was finally found and Mailyn welcomed all to this Kiwanis meeting.

Blaine Scott delivered the perfect invocation for the day, Dennis Mitchell and Jeff Cyriacks greeted from all different directions, Brook Blaney told a great and appropriate joke to the audience and I wrapped up the business portion of our meeting with the Thought for the Day.

The only announcement that was made was FAC at Bubs' on Friday, July 9<sup>th</sup>.

Guests were introduced and happy bucks were paid but there were no fines on this gorgeous day. This was a time to visit and catch up on what was happening in the lives of our friends (AKA Fellow Kiwanians).

After lunch was over I saw many of the kids playing in the park and having the time of their lives.

Thanks to Jeanie and Chuck Thomas for the music and the songs.

I loved it all!!

Until next week.....Roxie Denning, Bulletin Editor
